

Stretford Mall
MANCHESTER

RECENT PROJECT STRETFORD MALL

Project Overview

Connell Brothers were appointed as the Principal Contractor to carry out the Asbestos Removal and partial Demolition of the live Stretford Mall. Complex diversion & disconnection of services provided significant challenges on the project. An extensive programme of Asbestos Removal was undertaken prior to Soft Strip and Demolition.

Reference

JLL Project Manager --- "I would like to thank the Connell Brothers team following the successful demolition works at Stretford Mall. The project was completed on time, and to our full satisfaction. I would have no hesitation to recommend them for other works"

HEALTH & SAFETY NEWS

Connell Brothers Celebrate their 25th Year Anniversary of NFDC Membership with another successful annual site audit!

Accredited Site Audit Scheme

As part of Connell Brothers membership of the National Federation of Demolition Contractors, a rigorous annual site audit has to be performed on one of our live projects. The audit was carried out in November 2020 at Stafford College with no major issues identified. The NFDC is the only UK Federation in the demolition industry, backed up with regular member site audits and appropriate training from the NFDC's partnered provider, the NDTG, ensures that expertise is maintained and reinforced. Connell Brothers team are pleased to celebrate their 25th year as a member in this world recognised federation.

CHARITY INFORMATION

Connell Brothers have recently donated food to support the newly launched Barnabus Charity Breakfast Morning that provides homeless people with a warm meal and hot drink in the morning. Barnabus has been helping homeless people build new lives through finding a new home since 1991. Fancy making a pledge yourself? Visit <https://charter.streetsupport.net> or <https://mhp.org.uk/> By working together, we can all play a part to #endhomelessness in Manchester.
